

REMARKS

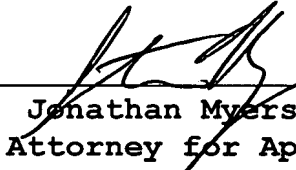

This amendment is submitted after final rejection pursuant to 37 CFR 1.116 because Applicants believe that all claims now presented are in condition for allowance. In any event the application has been placed in better form for appeal. No new matter has been added and no new issues have been raised. Finally the applicants' response has been submitted in direct reply to the office action mailed 19 June 2007 and Applicants could not have filed their response at an earlier date.

Applicants accept the allowance of claims 8 through 16 and are cancelling claims 17 to 18/

Applicants believe that all claims now presented are in condition for allowance and a response to that effect is earnestly solicited. Applicants are enclosing a petition to obtain a two month extension of the term for response and a completed PTO Form 2038 so that the cost of obtaining the extension of the term may be

charged to the credit card of the undersigned attorneys.

Respectfully submitted,
K.F. Ross P.C.
